

# Announcements!

**Weekly Bible Study** We invite each of you to attend the mid-week Bible Study, held upstairs each Tuesday evening beginning at 6 pm. We encourage you to attend these vital and exciting studies!

**Children's Church** Children's Church is available upstairs on the 2nd-5th Sundays starting at 11:00 am. Ages 2-10 are welcome to attend. Please sign your children in and out. A snack is served. Please pick up your children promptly after services. ALL DONATIONS ARE WELCOMED. If you are interested in serving in Children's Church, please see Sarita Agee.

## Words of Wisdom: Followers...

The LORD of Hosts says this: "In those days, 10 men from nations of every language will grab the robe of a Jewish man tightly, urging: Let us go with you, for we have heard that God is with you." — Zechariah 8:23

God's desire is to fill His people with His Spirit so that others recognize His powerful presence in them. The presence of the Lord in a believer's life ought to be obvious. When the Spirit of almighty God fills a believer, the believer cannot go on living as before. Others will see God.

God told His people through the prophet Zechariah that His presence ought to make a difference in their lives. If God's people walked closely with Him, people from every language and every part of the world would hear that they were a people who knew God. People would come from every nation on earth to find the true God among His people. If the people saw a child of God, they would long to be with him or her because in so doing they would be with God. God gave the vivid picture of ten people clinging to one believer, hoping to find God.

Christ's presence ought to be so evident in your life that the people around you are drawn to you. They should want their children to be with your children because your children are being raised with a godly influence. Employers ought to want you in their workplace; people should seek you for their leader because they know you as someone of integrity before God. Your life and your home ought to be a magnet for people as they sense God's presence with you and your family. The more you allow Christ to make His presence evident in your life, the more people will draw near you and find Him.

Welcome to the

*Call to Worship: Scripture Reading & Prayer*

*Tithes and Offerings; Prayer of Thanksgiving*

*Praise and Worship Selections*

*Sermon*

*Invitation to Christ*

***Benediction***

***Spring...***

Taken from <https://www.almanac.com/content/first-day-spring-vernal-equinox>

In 2019, spring equinox (also called the March equinox or vernal equinox) falls on Wednesday, March 20. This event marks the astronomical first day of spring in the Northern Hemisphere. Before you try to balance that egg, read this!

**WHEN IS THE FIRST DAY OF SPRING?**

Spring begins with the vernal equinox, which always occurs on March 19, 20, or 21.

Year	Spring Equinox (Northern Hemisphere)
2019	Wednesday, March 20, at 5:58 P.M. EDT
2020	Thursday, March 19, at 11:49 P.M. EDT
2021	Saturday, March 20, at 5:37 A.M. EDT

**A FULL MOON ON THE SPRING EQUINOX!**

The last time the Full Worm Moon happened less than one day of the March equinox was 19 years ago, in 2000, and the next time will be 11 years from now, in 2030.

But that's not all: March's full Moon will also be a supermoon, meaning that it will be slightly larger than most of the other full Moons this year.

What an extra-bright way to greet spring!!

**WHAT DOES THE EQUINOX MEAN?**

The word equinox comes from the Latin words for "equal night"—aequus (equal) and nox (night). On the equinox, the length of day and night is nearly equal in all parts of the world. With the equinox, enjoy the increasing sunlight hours, with earlier dawns and later sunsets. See your personalized Sun rise and set calculator.

**WHAT HAPPENS ON THE MARCH EQUINOX?**

On the March Equinox, the Sun crosses the celestial equator from south to north. It's called the "celestial equator" because it's an imaginary line in the sky above the Earth's equator.

If you were standing on the equator, the Sun would pass directly overhead on its way north.
