Words of Wisdom: God's Message to Women...

When I created the heavens and the earth, I spoke them into being. When I created man, I formed him and breathed life into his nostrils. But you, woman, I fashioned after I breathed the breath of life into man because your nostrils are too delicate. I allowed a deep sleep to come over him so I could patiently and perfectly fashion you.

Man was put to sleep so that he could not interfere with the creativity. From one bone I fashioned you. I chose the bone that protects man's life. I chose the rib, which protects his heart and lungs and supports him, as you are meant to do. Around this one bone I shaped you. I modeled you. I created you perfectly and beautifully.

Your characteristics are as the rib, strong yet delicate and fragile. You provide protection for the most delicate organ in man, his heart. His heart is the center of his being; his lungs hold the breath of life.

The rib cage will allow itself to be broken before it will allow damage to the heart. Support man as the rib cage supports the body. You were not taken from his feet, to be under him, nor were you taken from his head, to be above him. You were taken from his side, to stand beside him and be held close to his side.

You are my perfect angel, my beautiful little girl. You have grown to be a splendid woman of excellence, and my eyes fill when I see the virtues in your heart. Your eyes are beautiful. Your lips, how lovely when they part in prayer. Your nose, so perfect in form, your hands so gentle to touch. I've caressed your face in your deepest sleep; I've held your heart close to mine. Of all that lives and breathes, you are the most like me. Adam walked with me in the cool of the day and yet he was lonely. He could not see me or touch me. He could only feel me. So everything I wanted Adam to share and experience with me, I fashioned in you: my holiness, my strength, my purity, my love, my protection and support. You are special because you are the extension of me. Man represents my image - Woman, my emotions. Together, you represent the totality of God.

So man, treat woman well. Love her, respect her, for she is fragile. In hurting her, you hurt me. What you do to her, you do to me. In hurting her, you only damage your own heart, the heart of your Father, and the heart of her Father.

Woman, support man. In humility, show him the power of emotion I have given you. In gentle quietness show your strength. In love, show him that you are the rib that protects his inner self.

Did you know that WOMAN was so special in God's eyes?

April...

Taken from <http://grablists.com/10-interesting-facts-about-the-month-of-april/>

April is the fourth month you can see in the Gregorian calendar that people are using at present times. Just like any other months, this month is also an interesting one. In other words, there are so many things that made this particular month very interesting to know. Here are the 10 most interesting facts about the month April.

#10. In the United States of America, there were four Presidents who were born in the month of April. The thing is, there were also 4 US Presidents who died in the month of April. Moreover, in the United Kingdom, there were 3 Prime Ministers who have April as their birth month. The interesting part is, there were also 3 of UK's Prime Ministers who passed away in this month.

#9. April is also a popular name given to a lot of people. As a matter of fact, the name April is the 423rd most common name in the United States. In the United Kingdom on the other hand, it is the 250th common name.

#8. There are a lot of holiday celebrations in the month of April. These are the Cancer Control Month, Alcohol Awareness Month, Jazz Appreciation Month, Teacher Appreciation Month, National Arab American Heritage Month, National Poetry Month, Arbor Day, Earth Day, Autism Awareness Day, and April's Fools Day.

#7. Without a doubt, the Southern Hemisphere and the Northern Hemisphere are completely different especially in terms of climate or weather. If you are in Southern Hemisphere, the equivalent of April month in the Northern Hemisphere is the month of October.

#6. People who are born in the month of April have the birthstone of Diamond. The month's birth flower is the Daisy or the Sweat Pea. When it comes to zodiac signs, March 21 up to April 19 falls under Aries, while April 20 up to May 20 falls under Taurus.

#5. In England, one sign that people holds when spring season is about to come is when cuckoo birds are already everywhere. This happens when it is already April. That is why England has cuckoo festivals.

#4. The month of April is actually named in honor to the Venus. In case you do not know, Venus is the Ancient Romans' Goddess of fertility, beauty, sex, and love.

#3. In the United States, April is a significant month for all those people who are into sports. It is simply because it is the opening month of professional baseball season.

#2. People who are born in the month of April will carry the character of innocence. It is because the birthstone diamond symbolizes this characteristic.

#1. April is actually the 2nd month for spring season. It is the month where a lot of people are planting different kinds of fruits and vegetables in their farms.
