Words of Wisdom: "Sinners" ...

*I was shocked, confused, bewildered
as I entered Heaven's door,
Not by the beauty of it all,
by the lights or the decor.*

*It was the folks in Heaven
who made me sputter and gasp--
the thieves, the liars, the sinners,
all that sort of trash.*

*There stood the kid from seventh grade
who swiped my lunch money twice.
Next to him was my old neighbor
who never said anything nice.*

*Herb, who I always thought
was rotting away in hell,
was sitting pretty on cloud nine,
looking incredibly well.*

*I nudged Jesus, "What's the deal?
I'd love to hear Your take.
How'd all these sinners get in here?
You must have made a mistake.*

*And why's everyone so quiet,
so somber? Give me a clue."
"Hush, child," said He. "They're all in shock.
No one thought they'd see you."*

April...

Taken from <https://www.timeanddate.com/calendar/months/april.html>

April is the fourth month of the year, has 30 days, and is named after the Greek goddess Aphrodite.

April is the fourth month of the year in our modern day Gregorian calendar.

Naming April - Aphrodite's Month

April is the fourth month of the year in the Gregorian calendar and its predecessor, the Julian calendar. Its name is derived from the latin word aperit, which means to open. It is considered that

April is the month of the growing season and when trees and flowers begin to "open". It is also believed that the month's name is named after the Greek goddess, Aphrodite (Aphros).

Old English - April or Aprilis

Latin name - Aprilis or Aperit - to open

Greek - Aphro - short for Aphrodite

History of April

April was originally the second month of the year in the Roman calendar and consisted of 30 days. It became the fourth month consisting of only 29 days when January was designated the first month of the year around 450 BCE. April became 30 days long again when Julius Caesar reformed the calendar.

Fourth Month

April is the fourth month of the year in the Gregorian calendar and consists of 30 days. It is commonly associated with the season of spring in the Northern Hemisphere and fall (autumn) in the Southern hemisphere.

April starts on the same day of the week as July and ends on the same day of the week as December in common years. During leap years, April starts on the same day of the week as January.

Birth Flower and Stone

April's birth flower is the daisy and sweet pea.
