## Words of Wisdom: "LET IT GO", by T.D JAKES...

"There are people who can walk away from you. And hear me when I tell you this! When people can walk away from you: let them walk. I don't want you to try to talk another person into staying with you, loving you, calling you, caring about you, coming to see you, staying attached to you. I mean hang up the phone. When people can walk away from you let them walk. Your destiny is never tied to anybody that left. The bible said that, they came out from us that it might be made manifest that they were not for us. For had they been of us, no doubt they would have continued with us." [1 John 2:19]

"People leave you because they are not joined to you. And if they are not joined to you, you can't make them stay. Let them go. And it doesn't mean that they are a bad person it just means that their part in the story is over. And you've got to know when people's part in your story is over so that you don't keep trying to raise the dead! . You've got to know when it's dead."

"You've got to know when it's over. Let me tell you something. I've got the gift of good-bye. It's the tenth spiritual gift, I believe in good-bye. It's not that I'm hateful, it's that I'm faithful, and I know whatever God means for me to have He'll give it to me. And if it takes too much sweat I don't need it. Stop begging people to stay. Let them go!!"

If you are holding on to something that doesn't belong to you and was never intended for your life, then you need to .....LET IT GO!!!

If you are holding on to past hurts and pains .....LET IT GO!!!

If someone can't treat you right, love you back, and see your worth...LET IT GO!!!

If someone has angered you ... LET IT GO!!!

If you are holding on to some thoughts of evil and revenge .. LET IT GO!!!

If you are involved in a wrong relationship or addiction .. LET IT GO!!!

If you are holding on to a job that no longer meets your needs or talents ... LET IT GO!!!

If you have a bad attitude...LET IT GO!!!

If you keep judging others to make yourself feel better... LET IT GO!!!

If you're stuck in the past and God is trying to take you to a new level in Him... LET IT GO!!!

If you are struggling with the healing of a broken relationship...LET IT GO!!!

If you keep trying to help someone who won't even try to help themselves...LET IT GO!!!

If you're feeling depressed and stressed .... LET IT GO!!!

If there is a particular situation that you are so used to handling yourself and God is saying "take your hands off of it," then you need to... LET IT GO!!!

## THE LORD'S SUPPER

### 9/11/2001...

Taken from <http://www.history.com/topics/9-11-attacks>

On September 11, 2001, 19 militants associated with the Islamic extremist group al-Qaeda hijacked four airplanes and carried out suicide attacks against targets in the United States. Two of the planes were flown into the twin towers of the World Trade Center in New York City, a third plane hit the Pentagon just outside Washington, D.C., and the fourth plane crashed in a field in Pennsylvania. Almost 3,000 people were killed during the 9/11 terrorist attacks, which triggered major U.S. initiatives to combat terrorism and defined the presidency of George W. Bush.

**WORLD TRADE CENTER** On September 11, 2001, at 8:45 a.m. on a clear Tuesday morning, an American Airlines Boeing 767 loaded with 20,000 gallons of jet fuel crashed into the north tower of the World Trade Center in New York City.

The impact left a gaping, burning hole near the 80th floor of the 110-story skyscraper, instantly killing hundreds of people and trapping hundreds more in higher floors.

As the evacuation of the tower and its twin got underway, television cameras broadcasted live images of what initially appeared to be a freak accident. Then, 18 minutes after the first plane hit, a second Boeing 767—United Airlines Flight 175—appeared out of the sky, turned sharply toward the World Trade Center and sliced into the south tower near the 60th floor.

The collision caused a massive explosion that showered burning debris over surrounding buildings and onto the streets below. It immediately became clear that America was under attack.

**PENTAGON ATTACK** As millions watched the events unfolding in New York, American Airlines Flight 77 circled over downtown Washington, D.C., before crashing into the west side of the Pentagon military headquarters at 9:45 a.m.

Jet fuel from the Boeing 757 caused a devastating inferno that led to the structural collapse of a portion of the giant concrete building, which is the headquarters of the U.S. Department of Defense.

All told, 125 military personnel and civilians were killed in the Pentagon, along with all 64 people aboard the airliner.

**TWIN TOWERS COLLAPSE** Less than 15 minutes after the terrorists struck the nerve center of the U.S. military, the horror in New York took a catastrophic turn when the south tower of the World Trade Center collapsed in a massive cloud of dust and smoke.

The structural steel of the skyscraper, built to withstand winds in excess of 200 miles per hour and a large conventional fire, could not withstand the tremendous heat generated by the burning jet fuel.

At 10:30 a.m., the north building of the twin towers collapsed. Only six people in the World Trade Center towers at the time of their collapse survived. Almost 10,000 others were treated for injuries, many severe.
