## Funnies: Flight Problems...

While cruising at 36,000 feet, the airplane shuddered, and a passenger looked out the window. "Oh no!" he screamed, "One of the engines just blew up!"

Other passengers left their seats and came running over; suddenly the aircraft was rocked by a second blast as yet another engine exploded on the other side. The passengers were in a panic now, and even the stewardesses couldn't maintain order.

Just then, standing tall and smiling confidently, the pilot strode from the cockpit and assured everyone that there was nothing to worry about. His words and his demeanor seemed made most of the passengers feel better, and they sat down as the pilot calmly walked to the door of the aircraft. There, he grabbed several packages from under the seats and began handing them to the flight attendants. Each crew member attached the package to their backs.

"Say," spoke up an alert passenger, "Aren't those parachutes?" The pilot confirmed that they were. The passenger went on, "But I thought you said there was nothing to worry about?"

"There isn't," replied the pilot as a third engine exploded. "We're going to get help."

# Words of Wisdom:

## Caller ID

Isn't it amazing how God works in our lives! On a Saturday night several weeks ago, this pastor was working late, and decided to call his wife before he left for home. It was about 10:00 PM, but his wife didn't answer the phone. The pastor let it ring many times. He thought it was odd that she didn't answer, but decided to wrap up a few things and try again in a few minutes. When he tried again she answered right away.

He asked her why she hadn't answered before, and she said that it hadn't rung at their house. They brushed it off as a fluke and went on their merry ways.

The following Monday, the pastor received a call at the church office, which was the phone that he'd used that Saturday night. The man that he spoke with wanted to know why he'd called on Saturday night. The pastor couldn't figure out what the man was talking about. Then the man said, "It rang and rang, but I didn't answer."

The pastor remembered the mishap and apologized for disturbing him, explaining that he'd intended to call his wife.

The man said, "That's OK. Let me tell you my story. You see, I was planning to commit suicide on Saturday night, but before I did, I prayed, 'God if you're there, and you don't want me to do this, give me a sign now.' At that point my phone started to ring. I looked at the caller ID, and it said, 'Almighty God'. I was afraid to answer."

The reason why it showed on the man's caller ID that the call came from "Almighty God" is because the church that the pastor attends is called Almighty God Tabernacle!!

## RESPONSIVE READING: 1 TIMOTHY 4:1-10 (NIV)

- 1 The Spirit clearly says that in later times some will abandon the faith and follow deceiving spirits and things taught by demons.
- 2 Such teachings come through hypocritical liars, whose consciences have been seared as with a hot iron.
- 3 They forbid people to marry and order them to abstain from certain foods, which God created to be received with thanksgiving by those who believe and who know the truth.
- 4 For everything God created is good, and nothing is to be rejected if it is received with thanksgiving,
- 5 because it is consecrated by the word of God and prayer.
- 6 If you point these things out to the brothers and sisters, you will be a good minister of Christ Jesus, nourished on the truths of the faith and of the good teaching that you have followed.
- 7 Have nothing to do with godless myths and old wives' tales; rather, train yourself to be godly.
- 8 For physical training is of some value, but godliness has value for all things, holding promise for both the present life and the life to come.
- 9 This is a trustworthy saying that deserves full acceptance.
- 10 That is why we labor and strive, because we have put our hope in the living God, who is the Savior of all people, and especially of those who believe.
